Special Trade List

OF THE

Stewart Nurseries,

FOR THE FALL OF 1871.

In presenting this edition of our wholesale Price List, we take occasion to return our sincere thanks for the very liberal patronage bestowed on our Nursery, and trust by fair and honest dealing, and close attention to business, to merit a continuance of the same.

Our location is one of the very best, being peculiarly adapted to the growth of strong and vigorous trees and plants, and our shipping facilities are unsurpassed; situated 170 miles north of St. Louis, and 70 miles west of Quincy, at the crossing of the H. & St. Joseph, N. M. and M. & M. Railroads. This is well worth the consideration of nurserymen, dealers and large planters. Our stock is large, and grown with special reference to the wants of the West.

PACKING.

We dig and pack our trees with unusual care—under personal supervision. Commence about the middle of October and continue until the latter part of November.

CONDITION OF SALE.

In furnishing assortments of Fruit Trees, Shrubs and Plants, at the prices in this Catalogue, we reserve the right of selecting varieties; they will be of leading popular sorts, but in all cases we will give the purchaser his choice as far as practicable. But in no case will we supply a long list of select varieties, of either Fruits, Ornamental Trees, Shrubs, Roses or Plants, at wholesale rates; but at such a discount from retail prices as circumstances will justify.

Terms of payment, cash or satisfactory note, drawing ten per cent. interest from date of shipment, payable at some Banking House in Macon.

A charge for packing will be made sufficient to cover cost. No charge for drayage.

Any errors which may occur in filling orders cheerfully corrected on being notified of the same, though no claims for deductions will be allowed, unless made WITHIN TEN DAYS after receipt of goods.

Give plain directions as to route and manner of shipment; also write your address plainly.

Those intending to purchase are cordially invited to call and see our stock; and for the benefit of those that cannot do so, we call attention to remarks on our 2d page.

STEWART NURSERIES PRICE LIST.

REMARKS:

The lease expires May 1st, on our South Nursery Grounds. We have over 300,000 Apple trees, three and four years old, together with Peach, etc., on this land, and in order to clear the grounds, we offer superior stock, at prices annexed.
